Example: Item 445-A cancels Item 445, and Item 365-B cancels Item 365-A in a prior supplement, which in turn cancels Item 365. 2. The latest publication of Item 2.20 cancels any prior issue of Item 2.20. ITEM 100 METHOD OF DENOTING REISSUED MATTER IN SUPPLEMENTS 1. Matter brought forward without change from one supplement to another will be designated as "Reissued" by a reference mark in the form of a square enclosing a number the number being that of the supplement in which the reissued matte first appeared in its currently effective form. To determine its original effective date, consult the supplement in which the reissued matter first
 Where consecutive numbers are represented in this tariff by the first and last numbers connected by the word "to" they will be understood to include both the numbers shown. If the first number only bears a reference mark, such reference mark also applies to the last number shown and to all numbers between the first and last numbers. Reference marks consisting of an overscored and underscored letter or number (or letter and number) connected by hyphens are not to be considered consecutive numbers, and only those reference marks actually shown will have application in connection with the provisions to which they are attached.
